SUMMARY

I'm a fourth-year student at Can Tho University, majoring in Computer Science. I have over 1 year of experience in Web Development. My expertise includes more than 1 year of programming with Node.js, Vue.js, and Nuxt.js frameworks through personal projects and coursework.

With my knowledge, I am seeking an opportunity for a practical internship in a company to reinforce my understanding, enhance programming skills, and gain real-world experience.

EDUCATION

Can Tho University

Computer science

2020 - 2024

TECHNICAL SKILLS

Programming Languages: Java, JavaScript, Python.

Libraries and Tools: VueJS, NuxtJS, ExpressJS, MongoDB, SocketIO, Redis, TailwindCSS, Git.

Platform: NodeJS.

ML Architectures: ResNet50

KNOWLEDGE

Web App Development

- I have practical knowledge in JavaScript, specifically in frameworks and platforms such as NodeJS, ExpressJS for backend, VueJS and NuxtJS for frontend.
- Expertise in RESTful API standards, asynchronous processing, authentication, and authorization.
- Hands-on experience with WebSocket technology.
- Skillful use of Express.js middleware for logging, authentication, and security.
- Database knowledge includes MongoDB, MySQL, and Mongoose for efficient connectivity and interaction.

Data Mining and Machine Learning

- Proficient in utilizing Python for data processing, visualization, and machine learning model training.

PROJECTS

- **Real Estate web app(personal project):** A real estate e-commerce web application catering to individuals and businesses, providing a platform for listing and selling real estate properties.

Technologies:

- Front-end: NuxtJS-3, TailwindCSS.
- Back-end: NodeJS, ExpressJS, MongoDB, Redis, SocketIO. [GitHub](#)

- **Plant Recognition App:** Herbal Plant Recognition Application from Images.

Technologies:

- Front-end: Flutter.
- Back-end: NodeJS, ExpressJS, MongoDB, Python. [GitHub](#)

- **Drug review classification:** The web application helps automatically classify drug reviews [GitHub](#)

CERTIFICATIONS

- TOEIC: 615

INTERESTS

- Music, Guitar.
