EXPERIENCE

Frontend Developer

01/2024 - 12/2024

- ✓ Developed responsive user interfaces using Vue.js and Next.js for web applications.
- ✓ Collaborated with designers to implement pixel-perfect designs and ensure cross-browser compatibility.
- ✓ Optimized website performance and enhanced user experience by reducing page load times.

Business Analyst

01/2025 - now

- ✓ Gathered requirements from clients and stakeholders for web-based projects.
- ✓ Created wireframes, UML diagrams, and documentation to communicate functional specifications.
- ✓ Coordinated between development team and clients to ensure requirements are implemented accurately.

PROJECTS

PetShop Web Application

- ✓ Built a web platform for managing and selling pets online with Next.js frontend and Node.js backend.
- ✓ Implemented features for user registration, product catalog, shopping cart, and online payment.
- ✓ Integrated admin panel for inventory and order management.
- ✓ Github: <https://github.com/vonhuy/PetShopWeb>

Gym Management Web Application

- ✓ Developed a web system to manage gym memberships, trainers, schedules, and payments using Vue.js and Node.js.
- ✓ Created dashboards for members and staff to monitor activities and attendance.
- ✓ Implemented role-based access control for admin, staff, and members.
- ✓ Github: <https://github.com/vonhuy/GymManagementWeb>
